Let's Beautify LA Together!

KLAB COMMUNITY BEAUTIFICATION GRANT

Do you or your group have innovative ideas about how to improve and beautify the public spaces in your community? Keep Los Angeles Beautiful (KLAB) is now accepting proposals and will award grants to provide additional financial support to help bring your ideas to life and make a positive impact on our communities together.

The KLAB Community Beautification Grant is a competitive matching grant of up to **\$2,500** that will be awarded to community-based groups in the City of Los Angeles to fund exceptional neighborhood beautification projects that are designed to enhance the public spaces where they live, work, and play.

During the proposal period or Round 1 of the grant program, interested organizations are asked to submit a one-page narrative (form provided in proposal packet) with a brief project description and a photo of the site location.

For full details on eligibility, the application process, grant criteria and matching requirements, please download the KLAB Community Beautification Grant Proposal & Guidelines Packet.
