PROCESS FOR RECONSIDERATION in accordance with Article VIII Meetings, Section 4 of the current CPNC By-Laws:

"The Board may reconsider and amend its action on items listed on the agenda if that reconsideration takes place immediately following the original action or at the next regular Neighborhood Council meeting. The Board, on either of these two (2) days, shall: (1) make a Motion to Reconsider and, if approved, (2) hear the matter and take an action. If the Motion to Reconsider an action is to be scheduled at the next meeting following the original action, then two items shall be placed on the agenda for that meeting: (1) a Motion to Reconsider the described matter and (2) a [Proposed] Action, should the Motion to Reconsider be approved. A motion for reconsideration can only be made by a Representative who has previously voted on the prevailing side of the original action taken. If a motion for reconsideration is not made on the date the action was taken, then a Representative on the prevailing side of the action must submit a memorandum to the Secretary identifying the matter to be reconsidered and a brief description of the reason(s) for requesting reconsideration at the next regular meeting. The aforesaid shall all be in compliance with the Brown Act."

PROCESS FOR FILING A GRIEVANCE in accordance with Article XI Grievance process of the current CPNC By-Laws:

"A. Process. Any person or group adversely affected by the decisions or policy of the CPNC may file a written grievance with the Board. Within ten (10) working days, the Board shall then refer the matter to the grievance committee, who shall have ten (10) working days to meet with the person submitting the grievance and to discuss ways in which the matter may be resolved. The committee shall prepare a written report for the Board outlining their recommendations for resolving the grievance. The Board must then address the report at the next regular or special meeting.

"B. Appeal. In the event that a grievance cannot be resolved through this grievance process, the matter may be referred to the Department for consideration or dispute resolution in accordance with the Plan.

"C. Matters which can be grieved. The formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action taken by the Board at one of its meetings. Those grievances can be discussed at Board meetings. This grievance process is intended to address matters involving procedural disputes, e.g. the Board's failure to follow these bylaws or its Standing Rules."

BROWN ACT REVISION AND LANGUAGE IN THE BYLAWS

The City Attorney wishes to bring to your attention a recent amendment to the Brown Act* that takes effect on July 1, 2008, and impacts the wording of board agendas and also impacts how the records, which are reviewed by board members in anticipation of a meeting, are to be made available to the public. This information is intended to provide you with guidance in preparing the agendas for the Neighborhood Councils.

The pertinent amendment is contained in Government Code section 54957.5 paragraph (b) reads as follows:

"(b) (1) If a writing that is a public record under subdivision (a), and that relates to an agenda item for an open session of a regular meeting of the legislative body of a local agency, is distributed less than 72 hours prior to that meeting, the writing shall be made available for public inspection pursuant to paragraph (2) at the time the writing is distributed to all, or a majority of all, of the members of the body.

(2) A local agency shall make any writing described in paragraph (1) available for public inspection at a public office or location that the agency shall designate for this purpose. Each local agency shall list the address of this office or location on the agendas for all meetings of the legislative body of that agency. The local agency also may post the writing on the local agency's Internet Web site in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

(3) This subdivision shall become operative on July 1, 2008."

Typically, board members receive an agenda and written materials to review in advance of a meeting (the "agenda packet"). Government Code section 54957.5 clarifies that once the writings or agenda packet are delivered to a majority of the members on the board, the records, unless specifically protected from disclosure by the Public Records Act, must be made immediately available upon request. If written materials are submitted to the board after the posting of the agenda, then the agency shall designate a location (and an optional website link) where the public may view the records. Therefore, Neighborhood Councils should provide for easy access to the records by making them available on the website in addition to a physical location. It will be important to insure that upon distribution of the agenda packet to a majority or all of the board members, the documents are promptly placed in the correct location and posted on the website."
