#### SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

Canoga Park EEC has a Nature Explore Outdoor Classroom, where our preschool students play, learn and grow together. The purpose of the mural on the playground is to create a visually pleasant and stimulating environment as well as to remind the Canoga Park community that our youngest learners learn and grow through play. The mural is designed by one of our EEC Aides, Rosa Stasilli, who has worked at the center for the past 30 years. Her art project will be dedicated to all of the students she has worked with throughout her career, one of whom is now a Special Education Teacher at our center. The mural design includes sunflowers

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

One of our community partners, Pepperdine University's Jumpstart program, was so enamored by the mural project, that they donated \$300 toward the paint. If we could get enough resources to purchase the rest of the paint and supplies, at our local Dunn-Edwards Paints in Woodland Hills, we would be able to add a meaningful memento of Ms. Rosa's 30 years at the center, her dedication to early childhood education boldly rendered through the mural, showing support and gratitude to the community she served for more than 30 years! Gratitude to all donators: Pepperdine, the muralist, Rosa, and any other donors will be proudly displayed as part of the mural painting. In addition, We plan to videotape the process of painting as part of our Zoom lessons so that the children feel connected to their school. There will be science lessons on mixing colors, math lessons on size, shape and dimension, and everything else that

Greetings and Happy New Year to the Canoga Park Neighborhood Council!

I hope this letter finds the council well and safe during this unprecedented time in Los Angeles Unified School District and in California.

Canoga Park Early Education Center (CPEEC) is seeking funding to commission the painting of a mural on one of the outside walls of a classroom, adjacent to our play yard apparatus. In conjunction with this letter is an application for a Neighborhood Purpose Grant to request assistance for resources in this endeavor.

Canoga Park EEC is proud to be home of a certified Nature Explore Outdoor Classroom designed to inspire children outdoors to explore their environment and connect with nature. We are located in a residential community and provide full-day and part-day programs for children 2 to 5 years of age of eligible low-income families. Our Creative Curriculum supports children's physical and emotional development and learning in a safe and creative environment with caring and quality teaching while partnering with families. Children are actively involved in investigations in a variety of areas throughout the school year. Our center allows children to play, learn, and grow together, indoors and outdoors, by offering access to technology, parent education, ongoing staff training, and literacy enhancement with Jumpstart university interns.

In support of our philosophy to play, grow, and learn together in a natural outdoor environment, we have an aide, Ms. Rosa Stasilli, who has worked at the center for over thirty years. Ms. Rosa designed a mural that she would like to dedicate to the center so that students may enjoy a visually pleasant and stimulating environment as they learn and grow together through play. We have staff volunteers who will create lessons around the painting process to help our youngest learners stay excited and connected to their school during this challenging time of distance learning. Below is a rendering of the mural project:

The grant would be used to pay for a muralist's talent and time as well as for the necessary materials and tools to paint on the designated wall(s). The mural would be visible to the students and their families as well as to community volunteers, neighbors and visitors. Since this mural will be a fixture on our building for years to come, it will be a reminder of "playing, growing and learning together," in addition to the memory of our dedicated staff (especially Ms. Rosa) and community partners, such as the Canoga Park Neighborhood Council and Jumpstart. We hope to realize this mural together, which in the end will boldly and proudly reflect the long-standing neighborhood unity, staff dedication and community partnerships at Canoga Park EEC! We thank you in advance for your consideration to embrace and support our vision together.

I look forward to your partnership in this community endeavor. Thank you for the opportunity to make a positive impact in the Canoga Park neighborhood.

Kindly and respectfully,

Sara Vasquez, Principal
